# About us

Silsden Youth CIC is a non-profit organisation that took over the management of 'The Hive' from Bradford Council on 1<sup>st</sup> April 2016.

We hire The Hive to various groups, allowing us to cover the costs to keep this great asset to the Silsden community open.

We also run events throughout the year for all members of our community to help fundraise so that we can make improvements and necessary repairs.

We have big plans for 2018-2020 to increase the size of The Hive, to provide a play area for smaller children and to provide more facilities and activities for everyone at a reduced cost.

Donations are welcome and very much appreciated. Please see the payments section for details on how to donate.
